

(1)

**Proof that 7<sup>th</sup> angel comes after Branham.**

**7<sup>th</sup>. Angel nuggets from the seals.**

**First seal.**

(125)

Then at the end of the church age (Not 1963) **the 7<sup>th</sup>. Angels message is to pick up these lost mysteries & to give it to the church now we'll notice that.** (127) Oh, it's a great plan until it comes to that last angel. Now he has no certain mystery, but he gathers up all that has been lost in them other ages-all the truths that wasn't fully revealed yet, see as the revelation comes. Then he reveals those things in his day. If you want to read it there it is: Rev.10:1-4 You get it all right **He takes the book of seals & breaks them & shows the 7<sup>th</sup>. Angel.** For this alone **the mysteries of God is the ministry of the 7<sup>th</sup> angel.** Now we have just come through the church ages **with even history to prove that it is the angels' message of the 7<sup>th</sup>. Church** all right reveals all the mysteries that has been in the past **Rev.10:1-7 that is to be.** Now remember, in the days of the 7<sup>th</sup> angel his sounding forth, blasting forth the gospel trumpet. **He is to finish all the mysteries of God.**

128)

We found in the studying of the scripture that **the messenger to the age came right at the end of the age every time. And at the end of the Pentecostal Age we are supposed to receive according to the word. As God help me tonight to show you through here, that we are to receive a messenger** that will take all these loose ends out there & reveal the whole secret of God for the rapturing of the church.

143)

He was going to keep it a secret until the last days & the sounding of the last angels' message was to gather up these mysteries to make them clear. With the promise that at the last day He would reveal it show what it is God help us to understand it but it is not made fully known until the 7<sup>th</sup> message of this last c/age. **This messenger of the 7<sup>th</sup> c/age if you will notice it, he doesn't start a denomination like the rest of them did. Remember he doesn't start (Churches or groups) no if you find out he is against it. Was Elijah against it sure he was.**

144)

It looks like those people would have known John began to bawl those people out. Look like they would have known that was that Spirit of Elijah. They should have understood that, that's what it was (The spirit of Elijah) Now we find out & have through the c/ages according to the scriptures that **we are promised a return of that Spirit just before the end time.** Now you will notice the nature of it **he will not start another c/age.** There won't be anymore so he must be against it. As I said last night it pleased God to use it 3 different times **He's already used it twice now He is going to use it again He said so He promised it. The 7<sup>th</sup> angel which is the 7<sup>th</sup> messenger to the 7<sup>th</sup> church age is the fellow that is going to reveal by the Holy Spirit all of these mysterious things that are going.**

145)

The reformers (Like Bill) came to reform. **Notice this last message of the last c/age is not a reformer, he is a prophet.** They were great men (Bill) & saw the need of the day (Until 1965) that they lived in & God anointed them & they were sent out there & tore those things to pieces. But the full word of God never come to them (Not to Bill either he said he couldn't make out the 7 thunders & that Elijah must return to unveil them) because they were not prophets they were reformers. **But in the last days it will have to be a prophet to take up the mysteries of God. Because the mysteries would only be known by prophets'. So it has to be this fellow coming** (Not going Bill went home) Do you see what I mean now he can't be a reformer. **It has got to be a prophet because it has got to be somebody that is gifted & set there that catches the word.**

(2)

146) **But in the last days, in this last age, the messenger is not to start any reformation, but is to take all the mysteries that the reformers left off & gather them together & solve them to the people.** Let me just read it again it sounds so good to me, I like to read it.

147)

But in the days of the voice of the 7<sup>th</sup> angel that last angel the earthly angel which angel means a messenger. But in the days of the voice of **the 7<sup>th</sup> angel when he shall begin to sound, the mystery 7 seals all the mysteries of God should be finished. The entire mystery is unfolded that is the ministry of that angel.** See it is so simple people just drop over the top of it. But hear it will be perfectly vindicated everywhere. Everybody that wants to see can see it. You have got eyes & can't see you have got ears & can't hear. **Rev.10 said his message was to reveal not reform reveal the secrets'. Reveal secrets it's the word in the man.** This man is not a reformer he is a revealer. **Revealer of what the mysteries of God.** He shall come forth with the word of God & reveal the thing out, **because he is to restore the faith of the children back to the fathers. The original bible faith is to be restored by the 7<sup>th</sup> angel.** Oh how I love this. **All of the mysteries of the seals that the reformers never understood fully.**

148)

Now look at Mal.4 just a minute. **You just mark it down. He is a prophet & restores the original faith of the fathers. Now we are looking for that person to appear on the scene. He will be so humble that 10 millions times 10 millions will** (Miss the message & messenger) Well there'll be a little group that will understand. Mal.3 (A type of Bills ministry) some of them try to apply it to Mal.4 . No sir that is not it. **Notice, Mal.4 as soon as that messenger goes forth the world is completely burned.** So you see if you put that to being him (Bill) back there then the bible tells something that wasn't so. Bill went home 40 years ago & the world hasn't burned yet. **So it has got to be in the future. Oh my if you get here in revelation & see what that messenger at the end is supposed to do then you will see what it is he must be a prophet he has got to catch these ends.**

149)

Now look Mal. 4 **he's a prophet & restores the original faith of the fathers at the end time when the tribulation period comes.** The tribulations never came in 1965.

(151) Behold I will send you Elijah the prophet before the coming of the great & dreadful day of the Lord. **How you going to keep it away? That's the word of the Lord. He's promised it, it must come.**

159) Christ had a sharp sword & watch. It comes from His mouth the living word. That's the word of God revealed to His servants. (175) **God promised us that He would send us a true prophet of the true word. With a message to return to the original word of God & the faith of the fathers** to bring down the power of the Holy Ghost amongst the people & the power that will raise her above these things & take her in.

**Second Seal.**

181) The whole thing was **based on simplicity it happens in such a way that people will just go right on & don't even know it happens.** (182) Remember the secrets were to be revealed in the last days. And how does He reveal His word His secrets the bible. Let 's just turn over & see how He reveals His secrets. Surely the Lord will do nothing but **He revealeth His secrets unto His servants the prophets.**

183)

**Now in the last days it is predicted to us that there will rise a prophet.** Now we know that we have had all kinds. Cults of Elijah's blankets & robes all these things we've had plenty of. But you know all those things are only a forerunning of the real thing that is to come to throw the people off. (Bills carnal people are thrown off) Now see Satan raises those up. When he sees the thing coming-coming up, then he throws everything he can out there to upset it before it gets there. (By saying Bill was the last messenger) Did you know there will be false Christ's arise in the last days? **It should follow immediately after this great message that this brother will speak that will actually come be anointed in the spirit of Elijah.** And they will mistake him some of them will think that he is the messiah. But he will strictly say no.

(3)

184)

But then when the real true servant comes on with all of the impersonations to it, it's to upset the peoples minds Satan does that (They are hammered by the false prophets that claim Bill was the 7<sup>th</sup> angel) I believe when the person comes this one that is predicted to come; **I am showing you only by the scriptures that the man will have to be a prophet. He certainly will & the revelation of God, because God the word of the Lord comes to His prophets. That's exactly right & God cannot change. He could have chose the wind but He chose man! And He never did choose groups.**

187)

**Now watch this now! If God does not do nothing said Amos until first He reveals it to His servants the prophets & then we see what He is doing.** It must be that He is fixing to do something. **And these things that we are talking about were to be revealed at the last day.** I referred to you last night 2 or 3 times Rev.10:1-7 And in the days of the

sounding of the 7<sup>th</sup> angels message the mystery of God would be revealed & finished. **We have seen the symbol what it was symbolized by but it could not be correctly revealed until the last day.** Now remember & don't forget now He does nothing until He reveals it & don't forget also that He does it in such a simple way that the wise & prudent miss it.

188)

**I charge any of you in the Name of the Lord Jesus to ever, to put your finger on one of the hundreds of things that has been told before they come to pass & say they did not come to pass.** Bill is holding you responsible you are calling him a liar when he said there is coming a messenger after him. He charges the people in the Name of the Lord that what he said come to pass. **Now what about all these quotes about the 7<sup>th</sup> angel coming after him was Bill a liar or are you one?**

195)

Don't try to line the scriptures up to your thoughts but **line yourself up with the scriptures then you are running with God. Gods' first decision is perfect & the way He chose to do things there can't be no other better way.** Are you questioning God who He should use as the 7<sup>th</sup> Messenger? Who are you anyway to even think He would alter His word to suit you or anybody that are filled with creeds?

(199)

**It has got to be straightened out** (Bills various doctrines from his outpouring revival) We presumed at it through 7 c/ages almost but the hour has come now that God speaks it.

201)

Through the years the reformers have plunged at it as the bible said but in the days at the sounding Rev.10:7 He said the mysteries of God would be finished in the last days at the sounding of the 7<sup>th</sup> angel. Mal.4 said that He would send Elijah before that evil day come upon the earth when He would burn it like a furnace & **He would restore & to bring back the children to the faith of the fathers. Now that is just as plain as scripture can say it. Now it is promised.**

202)

Promised that in the last days He would make a way to restore again. The word of the Lord would drop upon the earth as He did in the beginning & will restore back. **And what is this fellow supposed to do when he comes anointed with Gods Spirit? He just brings the faith of the children back to the fathers' that is how he restores.**

(205)

**When you hear people say that they have got the Holy Ghost & deny this word there is something wrong. The Holy Ghost wrote the word Jesus said if a man has my Spirit in him he will do my works.** Do you see that people that claim that was the 7<sup>th</sup> angel are filled with the unholy spirit.

206)

**And when a man turns down the gospel truth (Saying Bill was the last messenger) Satan marks him where in the ear. He deafens him so that he can't hear the truth no more he is finished he stays with the group that he is with if he won't hear the truth.** You shall know the truth & the truth shall make you free.

(4)

222)

**If all these other revelations & visions & everything hit just exactly on the point watch out so shall this be. I know what's going to happen (The 7<sup>th</sup> angel coming after him) But I don't know when it's going to happen but it is bound to be.** He promised that these things would come in the last days & the 7<sup>th</sup>. C/age at the end of it, **when the messengers arrived there it would be. There would be revealed those broken seals.**

224)

Don't you take any chances **I don't care how simple & humble it seems it is the word of the Lord.** I tremble I think of that awful hour that is approaching & there is no way to stop it, it is predicted that it would come. Why don't the people come & listen & accept it? But I know that you said they wouldn't so they won't. **But there is some that have their names written on the Lambs book of life & when these seals are thrown open there they see their name there & the Holy Spirit speaks to them.**

**The third Seal.**

235)

The book is closed no one knew at all. They knew it was **the book of redemption on it there( is the elects names) but it is to be revealed in the last days according to Rev.10 The 7<sup>th</sup> angel is going to be given the message of that** because it said that in the time of the sounding of the 7<sup>th</sup> angel, when he sounds all the mysteries of God should be finished up by his time.

236)

**But when the real thing is to be revealed at the last days of the last one to the church is when God has said that He would send to us according to the scripture (Elijah) & we have searched it through & through that He predicted that the spirit of Elijah would return in some person. Now I think that has been made just as clear & we're looking for that to happen. Somewhere an anointed person in the last days shall rise up.** Now you will hear a lot of fanatics & everything else (Saying Bill was the 7<sup>th</sup> messenger) **It is the devil trying to take from the real one when he does come see? But it will be properly identified. You know what Elijah was watch that & you will know. Now the elect will know not the others.** We have been through all that & showed how they missed John, Elijah Jesus they missed them they will do the same thing because the bible said they would. So then in that time (From 1987 onwards since He called me to office) **In that time it will be very humble. It will be so simple that's what will make people fall away from it. It is too simple for them.**

237)

These mysteries are supposed to be revealed. The Pentecostal age with the baptism of the Holy Spirit why didn't they catch these messages why didn't they catch them because they were reformers. **Then in the last hour this fellow is to come on & reveal the things-take up the scriptures. It will be properly identified. Now it won't be a great big thing now.** It looked like here in the bible it would be something big

238).

**I imagine they had it all fixed up about like they have it today.** (Calling Bill the messenger) **But it was so humble even the apostles missed it.** He came to His own & His own received Him not. (241) **God lives works dwells in humility never any other way.** (249) God promised the spiritual Eve the same as He did the natural Eve . He would restore the church to the original word again that again the word would be restored to her in the last days. **They didn't know prophets Jesus said so. He said if you would have known the prophets, you would've known me.**

(5)

250)

**He promised in the last days He would send the word again.** They want their substitutes they want their denominations. It doesn't make any difference what God is doing & how much He manifests Himself He could do everything that the bible said He would do that doesn't make a bit of difference to them. If it isn't connected with an organization there is nothing to it. They listened to their substitute & God promised them the real & **when the real come they didn't want it, it was too humble. Now it is the same thing today. When it rises on the scene, now if God said in Mal.4 that He would send the message in the last days that would restore & He can send us such a person that will be a prophet. The only thing that God ever sent His word to was a prophet not to reformers to prophets'. It wasn't the hour for it (1963) Now it is getting to be the hour & that is the reason we are watching for it to come. It will be so humble & gentle.**

253)

Now what we need today (Is a prophet) I just keep reading this here **We need a prophet to return we need a prophet to return & I guess when he does come they'll know nothing about it that's right it's always been that way. We need it everything you talk about we need a prophet to return who will bring the word of the Lord fearless we believe the bible promised it. ( 255) God promised in the last days that He would manifest & vindicate His word to her still she wouldn't do it.** All that God promised her by His servants the prophets **God promised through Jesus Christ, Joel, Paul, Malachi & through John the revelator all of them prophets just exactly what the last message would be to her.** (256) That's something great God said that is foolish. He brings up a little something that don't know the difference between the abc's hardly & performs something that sets the whole church (Bride) afire. God calls that great & the world (Bills carnal followers) calls that foolish. **They were looking for him to come, but it couldn't be a guy like that. Oh my, that would be terrible. He was more than a prophet;** he was the messenger of the covenant stood right between the 2 dispensations coming in more than a prophet.

258)

We have had Elijah's mantles & coats & every other thing but that is just to throw off the real thing when he does come. Like a bogus dollar, **it shows there's a good one somewhere if you can find it** so here he come. The same thing they have today now but when he come it was strange (Is this message strange to you?) **He come it was strange He would come very contrary to what they thought, but He come according to the word & they didn't know the word. That is what is the matter with you today. You don't know the word.** (260) Them fish-men, woodsmen, farmers' tax-collectors, harlots they seen in Him what the simple scriptures said He would do. **All of them they saw it all that was predestinated when the doubts rolled away the seed went to growing.**

261)

**When the word comes back Mal.4 said it would return by a man.** He could do the same thing today He'd come right on the scene & produce the same thing He did then. **He promised to do it The Laodicea messenger is supposed to do it.** Then if the Laodicean church sees it done they will do just exactly like the Hebrew church did in the beginning. **No matter how well it is vindicated, they'd do it anyhow.** Now He said that he would return to the original word & be manifested as promised to restore again the faith original faith. And if He made Himself known that He was dwelling amongst His people by doing these things. **He could even have His picture taken (We have pictures of God) scientifically prove it still they don't believe it. Let the mechanical eye of the camera catch Him standing there that same Pillar of fire that is the same yesterday today & forever. To show that it is scientific in every other way, scientifically, in the spiritual realm & every way it could be vindicated. They will do the same thing they will probably just walk right away. Oh God help us to see now.**

(6)

**How can you be an anti-Christ? Anybody that denies that every word of this (The seals & Bills life message) isn't true & to be taught just the same is an anti-Christ because they deny the word.** Come on you low down false anti-Christ bastards. Bill said if you deny his words & say it's not the truth then you are of your father the devil. If you are not taught the truth that he said would be here you are an anti-Christ. You deserve hell you punk my God never liked you & we are going to walk over you & your loved ones & families ashes not even thinking that you ever existed.

267)

Now I have to say this the way it comes to me. **Ask Carel here if it isn't right. Who have you been asking Carel or the system about the true word if you are right & on the right track?** Is it Carel the messenger that God ordained as Daniel to tell the end of the gentile kingdom just like Daniel of old that saw the Stone (Speed) come with a speed out of the mountain. **If elected you will see the truth,** if not then you are damned already dead & marked for judgment. Do you deny the seals or any of these quotes that Bill stated in the seals then you are anti-Christ.

## The 4<sup>th</sup> Seal.

285)

**But we find out then that in the book of revelation at the 7<sup>th</sup>. Angels message, the mysteries all the mysteries of it should already be revealed at that time Rev.10:7.**

(291) Now be honest any man that could walk away from here like that (And say Bill is the 7<sup>th</sup>. Angel) there's something wrong if he still believes that the denominational system isn't anti- Christ. (296) **But in the eagle age, the prophetic age where there is to rise prophetic utterance see to whom the secret always comes. We're going to linger on there a little while tonight so that you'll thoroughly understand.**

297)

**Now notice now to wind up all these mysteries God has promised that there would be a genuine Elijah rise some man anointed with that spirit & it would reveal. He promised it in Mal.4.** I got some notes & letters that says that isn't so. (Already in 1963 they told Bill to his face he was a liar when he said that Mal.4 was coming after him) **I'd like to talk to that person why you can't deny it.** Any good theologian knows that to be the truth that they are looking for it.

298)

You know when Elijah prophesied I doubt whether there was hardly anybody knew that he was. **Now we believe that there is to be a coming of the true spirit of Elijah. It's predicted it would be, see and we must remember it'll be here in its own season & time.** We may be laying the foundation for it now & it won't be an organization. I disagree with a friend of mine on that. He says it will be a group of people. I want you to show me that by the scripture. God the unchangeable God never does change His plans. **299) God always deals with one individual.** He'll be properly vindicated. Now the outside world will hate it, but the elected seed the predestinated seed like it was in the days of Jesus when that light flashes that seed will come to life like that. **You'll know it you will understand it (Gods messages of this season)**

300)

Now we find out that the eagle age was promised in Rev.10:7 & in Mal.4 that would be in the last days see that's right that it would be here all right. Many of the anti-Christ's call themselves eagles they are crows the punks we will expose them & send them to the Lake of fire at the judgment-bar. (308) **Look down through the age of the prophets & where they come from.** Not one prophet was ever born outside Africa or Israel then how can you call Bill a prophet when he was born in the USA?

(7)

314)

**And now in the last days He promised again that He would send a message to call it out & restore the original faith back to the word & they won't receive it. They're so dogmatic in their dogmas & creeds like Acts 2:38 that Bill said is a creed to baptize in**

titles. Oh they think if an angel walked down but God don't do that. He takes something ignorant & stupid He takes that type of person because He can take something that's nothing & then work through it. (316) Now the last message they get is when this prophet that I've been speaking of, which I've been reading many books (Bible books) about. And I know that real good sensible spiritual thinking man knows that's coming. They keep saying we need it it's going to be. And when it comes they'd be so humble they'd probably miss it just like they did the other time.

324)

**Truth & error oh my no matter how good truth & error cannot mix.** Its either Thus saith the Lord or its wrong. The lie that you believe that Bill was the 7<sup>th</sup> angel is not thus saith the Lord it is an error & the truth exposes that terrible error that is leading people to hells damnation. (325) There's been so much fanaticism start about Elijah (They called Bill Elijah) until that's just hammered to death. **May God help me to help you to see what I am looking at.** (Bill looked at the 7<sup>th</sup> angel coming after him) now **first we could give you scripture after scripture that the last age is a prophetic message to the church (Bride) calling them back to the original word.**

327)

The first Elijah was a rejected man by the churches. If that isn't exactly what the 2<sup>nd</sup> Elijah is supposed to do. He comes to this church in this day to restore back the original faith. I don't see how you're going to squeeze away from it. (329) You see what I mean? Then it simply has to be it's just got to be & it's according to the word. When the man arrives on the scene he'll be a prophet just as certain as I'm standing in this pulpit & he'll stay right with that word. He will take down for nobody's creeds. He'll be against organizations (330) Rev.10 to show the 7<sup>th</sup> angels message will be a person in this last days anointed of God for a ministry just like Elijah the prophet had. I had to go to the 10<sup>th</sup> chapter 1-7 verses to prove that it was right & over to Malachi & Amos to prove that. Now we find out that His Spirit is to anoint a man according to the promise of God in the last days. That is why I went to so much of the bible to prove it, so that it won't be left a question in your mind.

Fifth Seal.

(341)

Now they just can't find Him because He makes Himself too simple now watch this in itself is the mystery of the revelation of Jesus Christ. (357) God likens the eagles to His prophets' Every time He sends an eagle at the end of it why? A revealer how could it ever be revealed until the eagle comes? Then the last power He sends down the eagle to restore the children back to the original faith again of the fathers. The eagles' age. Rev.10: 7 I've been referring to it all the mysteries of God would be revealed the eagle. There'll come an eagle. (359) Remember when the eagle finally comes it will be 100 th. of one percent that will listen. (360) The bible doesn't change its system at all its the same thing. It's got to come to this seer that were expecting to arrive. Isn't the prophet that were looking to come some man anointed with the spirit of Elijah? It will be a man like that, that will come down & his very ministry is to send to restore back to His fallen people through these denominational twists back to the original faith of the fathers. Now if that don't tie that bible together I don't know what does.

(8)

( 492) **This Elijah that will come to the gentiles will be a gentile anointed with that spirit because God used that same spirit to bring the people out of chaos every time & has served His purpose well. He brings a man that hardly knows his abc's & can't pronounce his words right. (519) He was Elijah & Elisha Did you notice most men like that are men that are away they keep away from people they're very odd. They don't associate too much with people. You can notice the nature of them is that uncompromising & you'll know it when it comes. You'll see it if you're wide awake. 7<sup>th</sup>. Seal.**

537) **But we are promised in the last days to return to the church again for the benefit of straightening up all that has been misled (To believe that Bill was the last messenger) miss undone left undone. For it's predicted here that the 7<sup>th</sup> angels' message would finish the mysteries of God. We see that it's perfectly in harmony with the scriptures. Now could you imagine when this person comes on the scene, When he does remember it'll be so humble & things till the churches will miss it a long ways. And could you imagine the churches still under the tradition of the reformers would ever receive a prophet from God who would be firmly against their teachings & organizations?**

538)

**Now there is only one person could fulfill that, only one spirit that's ever been on earth that I know. It would have to be Elijah in his time. And it was predicted that it would be, which is nothing but the Spirit of Christ. 540) No prophet ever talked about 3 gods. You'll never hear that no that's pagan & heathen is where it come from. (541) That word cannot fail its going to be exactly the way God said it was, see? Now we realize these things must happen. And that's the reason they didn't recognize Jesus when He perfectly identified Himself to be the prophet. 556) Rev.10:1-7 Time runs out. The angel said time shall be no more in the days of this great thing to happen. (560) And did you notice that one angel, I said in there, was a strange angel. He looked more to me than any of the rest of them. (Would Bill be strange to himself you son of a whore?) And the one right next to me here counting from the left to the right would have been the 7<sup>th</sup> angel. (The 7<sup>th</sup> angel was standing next to Bill) He was brighter meant more to me than the rest of them. You remember I said he had his chest out like that & was flying eastward (South Africa) Here it is the one with the 7<sup>th</sup>. Seal the thing that I've wondered all my life. (564) Rev.10: 1-7 At the end of the 7<sup>th</sup> angels message all the mysteries of God would be known. Be humble be humble I didn't realize what it really was talking about & now I see it. It is in such a humble way. You would think that something like that is revealed to the Vatican. But it comes just like John the baptist. It comes like the birth of our Lord-in a stable. (565) Remember the 7<sup>th</sup> messenger was the noted one to me the 7<sup>th</sup> angel-it seemed more to me than any. And the one of the coming was the one that looked so strange to me it would have been the 7<sup>th</sup>. Angel see coming across (From South Africa with Gods message striking universally)**

567)

**It may be the hour now that this great person that we're expecting to rise on the scene may rise on the scene. Maybe this ministry that I have tried to take people back to the word has laid a foundation.**

**Continue God is One & His name one.**
