

**William Branham was not the last 7<sup>th</sup>. Messenger or a prophet.**

1) (1)

Before you criticize the above statement you better look at the truth & see who you are fighting God or the devil. **God is outside all groups' churches & the religious system.** This message is not for church-chickens it is directed to eagles with spiritual word sight. Eagles can quickly spot phony's copiers pastors & people assembling in groups & lie-braries claiming they are bride when they are false in the same mess as the organizations. Instead of fighting for God you are fighting for the church system to uphold perverted doctrines that Christ is against. Bill spoke against organizations for his day like Luther & others did. **What was on the menu in 1965 faded out & formed the image of the beast. It is filthy devil food contaminated with demon viruses & bacteria eaten by evil people that crave on Satan's gospel.** God never died when Bill did. I have pictures of God taken after Bill went home God is alive His eyes is wide open. I have a reward of R10,000.00 to any person that can show me one quote where Bill said he was the 7th. Messenger. When asked if he was the 7<sup>th</sup>. Angel **Bill denied he was the 7<sup>th</sup>. Angel & said it will be somebody after him.** Bill was a liar or you are. Your father is the father of lies if you deny the word.

2)

You must have Gods mysteries & 7 Thunders revealed to you to be any bride pattern. **Bill never brought all Gods mysteries or the 7 Thunders. He said Elijah must return to bring them after him.** The carnal pagan followers' formed the image of the beast as Bill predicted. The devil has in Jeffersinville 7 Mountains where his daughter whore sits on William Marrion Branham. The whore is misusing Bill's names claiming she is married to Bills messages when she is a liar & daughter of mother whore Rome. People claim they believe his message but hack it to pieces holding the whores' cup out to all nations'. They are worst than Catholicism starting groups & lie-braries contrary to Gods word. These pagan carnal people worship Bills coats guns doors where he walked & what he wore. It is all pagan trash that God hates. He will punish them for wandering after pagan gods & burn them to ashes. If God spares the carnal church chickens that bred out of Bills organizational revival He is obligated to wake up Sodom & Gomorrah & apologize for killing them off.

3)

Life can only come your way if God ordained you to life. The whole world is wondering after the beast & its images. The image is like the mother whore church & her husband Satan & was formed by carnal followers of the last reformer message of 1965. That old dead carrion is organizational trash & formed the image of the beast. **The life in that message matured & moved on to what Christ said would be here.** Knowledge increased greatly the past 40 years in computers worldly wisdom & technology. **How much more did Gods word not mature to perfection?** People trying to uphold a thing of 40 years ago in this quick fast & last age are living way back in the dark ages heading for the dark tribulations.

4)

You are battling with old organizational carts while the eagles are enjoying space flights in heavenly regions. You are still listening to mono music when **God is speaking in stereo & surround sound to both ears His mysteries & hidden manna.** God appeared visibly to me many times already. I have pictures of Him with me as clear scientific prove that none would dare to deny except the pagans that are heading for hell. I have been in the messages of Bill since 1967

I'm no fool & know exactly what I am talking about. I have seen the evil anti-Christ's creep in as so called brethren misusing Bills messages to deceive people. They claim they are not the system & unorganized when they are in Satan's church image the bastards. They are evil people fallen angels sons of Satan that rise up claiming to be Gods bride when they are filled with the anti-Christ's spirit that is working in the children of disobedience claiming we are all brothers we must love. To hell with you we are not brothers we do not have the same Father. God is our Father you are a bastard Lucifer is your father if you reject Gods message. They disobey God by accepting manmade creeds lies & antichrist doctrines. They are the seeds of discrepancy. Satan's evil lies fill their hearts with system ideas marked by the beast in his image. They are religious wear long dresses & no make up like the nuns do but inside they are filled & stuffed with whore doctrines. They claim the dead carrion of 1965 but deny most of the true prophecies from that revival that God has been fulfilling to His elect bride that is outside system groups.

5) (2)

**If you really believe that Bill was a prophet then you would look at what he said would be here you cannot deny these spiritual facts.** The carnal followers' prove by their actions that Bill was a reformer that called them to church. Where else can these chickens go when Bill started churches? Don't tell me he was not an organizational man. He was right in amongst them he formed & started a church on the corner of 8th & Penn Streets. In 1965 his outpouring messages doctrines sure did call out people. It called me out so millions of others but I didn't die in 1965. **God cannot die He is always alive in His word of the season moving onwards & upwards all the time unveiling Himself to His own.** Just like Luther & Wesley had truth for their day & they all did their jobs well but that food is now outdated & rotten so is Bills organizational food of 1965 trash. Would you eat natural food of 1965 yet you allow the preachers to force filth of that time & germ invested trinity doctrines down your throat.

6)

I love Bill more than any of his people he said so himself that the 7th. Angel watched him more. I watched every move of Christ's word that the man taught. God called me to office & told me I was the last voice to this evil adulterous generation. The Message in the pamphlets is coming your way unorganized. **I hold no meetings & do not allow fellowship groups or gatherings.** I send the pamphlets to Gods bride universally calling them from Rome to the wedding supper before God burns all religions. These messages are addressed to private individuals that matured on the word & not to outsiders at all. It is not directed to the world at all.

7)

In this message I'm going to take you step by step through some things that you should know if you are not a fool & give absolute prove that Bill was not the 7th. Messenger not the last or a prophet. **The quotes I use in this message are Bills own words. If you deny them then it shows you are false & ordained to be deceived.** I believe the word & matured on the word with Gods people. Bill had truth for 1965 those days are gone. Satan crawled into the false preachers to overcome the people forming an image to the devil. This is your last chance for Life. Choose this day who you will serve God or the devil. That soft spoken preacher is a snake hissing out snake venom.

8)

When approached with the question if he was the 7<sup>th</sup> angel this is his response. COD Book. p.72-386 **Now I'm gonna be honest as I can be I don't think I have anything to do with that angel.** Bill was a liar & dishonest or have you are a liar dishonest & have been deceived? The man denied he was the 7<sup>th</sup> angel & said I don't think I have anything to do with that angel. The lie that Bill was the 7<sup>th</sup> angel was started by the Nicene fathers of the sixties Bills son Billy Paul included. I (eye look watch) Little Willie out there (In the organization & denominational world) little **Willie out there put my name under that star.** (391.) **But let me say this that there will come a message & there will come a messenger it will be somebody after me.** Come on show me the man after Bill that is the 7<sup>th</sup> messenger fulfilling **Mal.4 Rev.10:7** & all the word that reformer messages pointed out that the 7<sup>th</sup> angel must fulfill. Any man that starts groups lie-braries or accept what Billy Paul believed is a liar & will lead people right back to Babylon.(431) **This is the true message of God forerunning the coming of John the Baptist.** The facts stated by him personally is that he was not the 7<sup>th</sup>. Angel & that his message was forerunning John the baptist. Not Bill but the message.

9)

**Billy Paul went the way of the Organizations.** Now is that the path you are on the way of the organizations or are you on the way to Life? If you believe the lie Billy Paul started putting his father's name under the star of the last age, then you are also on the way of the organizations in the system of mommy whore & her daughters. The Church. Strait is the gate. Page 37.para.(12) **And he turned to the right & went away from me.** Billy Paul went away from his father & Christ like millions do yet they claim to be believers of Bills message but they are liars the word exposes them as serpent seeds.(16)I said quite a crowd Br. Roberts He turned & **went off the way Billy did** (19) It's in parable I'm sure you that read the Bible (Will see that Billy & the pastors started creeds) You'll understand what the spirit is saying. Bill said Billy Paul or no Billy Paul so who are you listening to? Have you taken sides with the masses on the broad way to death & hell?

(3)

10)

**Narrow is the way to Life eternal only a few will find it not millions.** (Page 48. Para. 88) **I'll be surprised if a dozen comes out of this generation. Vol.3:21(43) There may not be 10 in this generation.** That is cannon fodder out there. Any preacher no matter who it is that teaches the creed that Bill was the 7th angel preaches an added creed that is not accepted by God. It is a lie from the pits of hell.

11)

COD Book p.977.(245) **Any person that puts anything to what I say don't believe what I say.** Bill was a liar or you are; you have you been deceived? All the seals spoke of an angel coming as future after Bill. The 7<sup>th</sup> angel he said is someone after him to clear up the mess & get Gods bride away from the whore doctrines out of Babylon. There will come a messenger not a group after Bill to restore the faith. The Evening Messenger.229 Let me tell you. **There will rise a messenger at the end of this Pentecostal age & wind up the thing. It will be a**

**man not a group** (or a lie-brary) 237 **I want somebody to show me in the Bible where it'll be a group of people. God would break His own Word He can't do that no sir.**

**He promised this man coming to reveal the truths it will be one man.** That should open your eyes if the big snake did not hypnotize you as yet with false creeds before crushing you into the snakes' religious system. The world is filled with fallen demons; preachers that grab Bills books starting groups & churches taking what they like & reject the prophecy parts condemning them. They quickly get on the gravy train for self gain so people can look up to them as angels of light when they are the lowest demons of hell & darkness that has ever been on earth used by Lucifer to deceive even the elected if it was possible. They are foreordained to damnation & the lake of fire that God prepared for them. I would rather allow a natural bitch in my house before I allow any preacher that preaches that Bill was the 7<sup>th</sup> angel. A dog has much higher morals than these preachers of groups lie-braries & churches & the bitch does nor suffer from spiritual aids filled with demons like the preachers are.

12)

Bills revival was an organizational one. Seals 253. **We have denominational Revivals. We haven't had a real stirring no, no, no, no, sir Do not think that we have got revivals we haven't. They've got millions & millions of church members but not a revival nowhere.** He said when I say we I am addressing myself. Do not say he was talking about the denominations he was talking of his own millions that are cold church members in groups' house fellowships & lie-braries.

13)

At the end Daniel steps in. COD Book 1 Page 73.para.88 Now notice oh my, **right at the end Daniel steps in again.** (59) **Jesus speaking now turns to Daniel to fulfill.** Jesus does not turn to Bill to fulfill but to Daniel you fool no wonder God is going to burn you cause you are not the word & don't know the Word. All you know is a lot of church dogmas & creeds hatched out by false prophets' that work for Lucifer. Sirs 47 **Daniel interpreted the beginning of the gentile age & when it would leave IT HAS ONE (A Daniel) just exactly.**

14)

Sirs 34. **We are looking for a prophet to come to blast this age. Send us a fearless prophet with thus saith the Lord.** When he comes he will blast those ages (This last age that think they have all but are blind) **He will set the Laodicean church age against him. Notice now the messenger will finish off the Laodicean.** That old message died off in 1965 he sure is not finishing off this age you idiot. You've been hanging around with the bats too long in mortuaries where they cater to dead system people they wash in water baptism of Lord Jesus Christ. Those punks are double dead with the second death sentence hanging over their heads. The whores triune water baptism into titles of Lord Jesus Christ makes them stink more. Water makes corpses rot quicker & decompose. You are a lot of dead decomposed flesh people already sentenced to death by God.

(4)

15)

The last age is not against Bill. Millions accept him trying to live in the mirage age of 1965. They are organizational parasites that died when he did. They have years of cancer flesh since 1965 over their eyesight & are suffering from spiritual aids. Their immune system that is supposed to reject the beast & its images are broken down. They cannot resist the organizational Catholics & rake in as much trash as they can. Pastors keep setting themselves up as leaders God hates them & cannot wait to burn them. Burn them God burn the carnal fakes & imposters already sentenced to death. They are dead men walking with Gods wrath hanging over them. They deserve hell thinking they are rich when they are naked.

16)

Seals. **Millions who think they are saved will be counted fodder for the Millenium.** False preacher you will bow before us the ones you rejected. We will send you to hell because you sold out Christ for creeds we will get you. How can the last age escape the wrath of God when the Bible foretold their destruction? They were foreordained to Gods wrath & destruction by severe tribulations plagues & cremation. You might laugh now but won't laugh in a few years when His wrath kills you off & you must account to an angry God for your **false low life church & group creeds that is not at all seen or recognized by God. God is in His Word of the season & that only in His message of His real genuine prophet of Mal. 4 that reveals the thunders & all His mysteries.**

17)

All messengers comes at the end of the age. Bill is not here. Sirs.(33) **All the messengers come at the end of the age. C/A/Book 323 I doubt very much if any age knew the messenger that God had sent unto it.** He used one exception the first age. **The last age will never know the 7th angel or his message except for the elect & the 144,000 true Israel.** Before the age ended the creed was started that Bill was the 7th. Angel. It is a lie that Satan spread to upset the real thing before it came & drag millions of church chickens to Gods wrath fires. That is what God wanted so that He can get His Elect reveal His mysteries to them & catch them away to glory then fulfill His wrath on the ungodly carnal followers of the system.

18)

The job of the 7<sup>th</sup>. Angel. Is not to hold meetings evangelize built groups & churches. C/A/Book 327 He will turn the hearts of the children to the Fathers' Abraham, Isaac etc.) Not the Roman fathers you bastards. He will reveal the mysteries of the 7 thunders contained in the 7 Seals. (324) **What was in those Thunders no one knows.(Bill didn't know) We need to know & it'll take a prophet to get the revelation, because God has no other way of bringing out His scriptural revelations except by a prophet. (325) There is absolutely no doubt that Elijah must return.** Four letters in Daniel spell Elia.

19)

Bill did not reveal Gods mysteries & the 7 thunders. 7th.Seal 567. **Now what this great secret is that lay's beneath this seal I do not know I don't know it.** I know it was them 7 Thunders uttering themselves right close together. I looked for the interpretation that flew over there (To South Africa) **I couldn't make it out. The hour isn't quite yet for it** 1963. Since 1963 God has revealed His mysteries & the 7 Thunders to His people. The mysteries are contrary to

man made creeds. The Holy Spirit interprets the things Bill the reformer & the carnal followers could not make out in this last quick age. Note that he said **the New Name of Jesus is revealed in the thunders. We know His New Name.** Not an old creed name, but Gods Name before the foundation of the world **the Name of the Lamb that was put on His people to overcome the beast & its images. Gods' Name comes is in the seed chapter Genesis & revealed to over-comer's in revelations.** He is God that is what Paul saw in heaven **Paul couldn't openly tell His Name but passed the clues onto us in Hebrews.**

(5)

20)

**The Carnal twin erected the Mosque of Omar** Jeffersinville a modern Mecca. COD Book 1 p. 74 p. 97. The time is near at hand for they're going to tear down this temple Branham Tab. They did that & erected creeds worldwide saying Bill was the 7th angel. **They're going to tear down this temple** (Branham Tabernacle & all its sister churches worldwide) **& put up the Mosque of O Mar**-rion. See the groups on Sunday wearing false long dresses like the nuns do all in the image of the devil. **The Mosque of Omar -rion is going to stand on the same place here** on the corner of 8th & Penn Streets & all over the world where the spiritual Islam creeps in.

21)

Bills carnal twin formed the image of the beast.

The gentiles Mohammedan - Gentile means unbeliever (84) **Remember the image? (The image of the beast) This is home-place now.** Home-place is Bills' own people that claim he will return on a white horse like Mohammed & that he was the last prophet like Mohammed. You are a low down spiritual Islam dressing in long dresses pretending to be Christians. You stinking low down filthy Jezebel the long dresses makes you stink more. In Gods sight you are naked ready to be burned to ashes. God is going to love it to burn you so will we love it when He kills you off. **The death warrant has been issued against you. You are wanted for murder & the crucifixion of the word for the third time.** You shall die for taking sides with Rome & her allies wondering after the beast. **With Gods mark the diamond mark of the marks-mans impact you live eternally.**

22)

The water baptism whore is preaching worldwide misusing Bills quotes'. God showed me vision & I saw that evil woman trying to hide behind the 7 Mountains of William Marrion Branham. The image of the beast was started in the USA by the carnal Catholic offspring pretending to be followers of Bills message. The woman he saw that raised up was evil she is holding her cup of perverted doctrines to all nations claiming Bill is the 7th. Angel. Bill will send those pagans to hell that claim to believe his message but are anointed with the false love of Satan. Seals 219. The 7 heads are 7 Mountains in USA. The whore copies after the mother the 7 mountains in Rome. **The 7 heads are 7 mountains, on which the woman sitteth; You would have to be totally blind deaf & dumb not to get that.** Yes you are blind deaf & stupid not to see that the woman is the carnal twin Satan raised from the reformer revival. Blind people cannot see the whore they are in bed with her. She is mystery Baby-lon. **Baby-lon her husband is Apol-lyon.**

**trying to keep Christ a baby when His Word matured to its fullness & wrath.** You babies will wet & mess yourself God will get you He does not trust you with His supernatural message. He cannot

teach Pentecostal babies supernatural things. It makes them choke & get blue in the face. They must die God is obligated to kill them off & annihilate them in the lake of fire.

23)

You are not getting away pastor there is enough evidence in Bills messages exposing you as false goats leading innocent people to the slaughter. The continuation of life from Bills messages is these pamphlets. You will account to God for taking sides with organizations & the devil selling out Christ for a church ticket group assembly & lie-brary. There's a way that looks right to man but it leads to hell's torment. You have before you absolute prove that Bill was not the 7th Angel. The carnal-followers starting groups back into the system, wondering after the beast shows that he was not the restoring messenger.

(6)

24)

Bills carnal followers crying how long?

The false preachers' is responsible for leading you into death traps of organized religions? Vol.7:2 228 How many heard the story the rest of it see? Looking a-pass the curtain. The same as I'm preaching to you; carnal followers, **There they stood souls under the altar crying how long?** See the carnal people crying how long? This clearly shows they are not the bride who is in Gods throne. These cry how long? Not a myth, somebody who had intelligence how long Lord. The bride doesn't cry she is filled with joy & has her wedding garments on in glory. The carnal twin will only get life after the Millenium. After God purged & burned them then they must still stand the judgment. Many will be send to hell that slandered Gods true people. Bill will be a witness against his own for what he stood for in his day & what he said would come after him. As the living oracles of God we see the prophetic message.

25)

People in the carnal messages of 1965 are heading for the great tribulations. Seals (488) **They go into the tribulation** (489) The church (natural, groups & lie-braries) that's in denominations that are genuine Christians (That received the message of Bill) they will never see it. They will never see Thee Son of Man the hidden message cause the pastors teaches a god that died in 1965. **It'll never be preached to them. (These pamphlets)** because the false goats destroy the influence of the real true messenger with false lies & accusations. God will cremate them. **Those in a mixed crowd that followed (Bill) Moses from Egypt who it is preached to it will go right over the top of their head unless their name was on the Lambs book of Life.** If in Gods books the beast won't get them they won't wonder they'll know the truth & are set free. But they will be good people (That the pastors deceived) they'll be raised up again & given trial & be judged by the very group (Individuals who testified to them) Don't you know the saints shall judge the earth? **They will be preached to see by the very same people who witnessed to them of the message (The**

pamphlets) to come out of it come out of Babylon. I've got so many here. Bill sure has many that he is going to preach to again at the judgment bar.

26)

Bill was no prophet at all. I believe he was an Apostle.

Taking sides with Jesus. (16) **If He did call me to be His prophet then I am certainly not holding the office of one. Prophets don't evangelize. He is not an evangelist holding meetings & getting cooperation's & all these things like Evangelists do. He don't teach like evangelists.**(15) I've opened up the road for him to take over, I believe that the Lord has used me in little special things to **help maybe lay a foundation for a prophet that will come. A prophet don't operate the way I operate.** Bill came out of the Baptist church. He said no prophet ever came from a church. Bill started churches because of the cry of the people & a Catholic that stood up in court. God called Bill from the white fowls he was alone the latter days of his life on earth. He said that his church in their condition the carnal people could never bring in **Mal.4** they didn't believe it & applied it to some church or groups or past reformer.

(7)

27)

Bills' revival is over & dead years ago.

C/A/Book (331) They won't be able (Cain's offspring in the groups.) **to produce what the true prophet produces; like real true word interpretations mysteries revealed pictures of God & an unorganized message that calls the elect from Babylon.** When he says the revival is over (Of Bill) Many will go around claiming a great revelation that the people have & God is going to do bigger & wonderful things & the people will fall for it & be led into the Whore Councils of Churches. God is obligated to burn them to ashes so we can walk over them in the Millenium.

28)

Vol.3:13 People has called me a prophet. **I don't call myself no prophet because I'd be darest to say so.** See fools walk with hop nails where Bill feared to trod? Seals 567.**Br. Bill is trying to make himself a prophet. My brethren that is an error.** It may be the hour now, that this great person (Christ) that we're expecting may rise on the scene **this ministry that I have tried to take people back to the word has laid a foundation.** He also said that in other messages that he laid a foundation for the true prophet of Mal.4. Seals(460) **There's been so much cults & clans rise up over little outpourings of the Spirit,** Calling a reformer Elijah. That old Pentecostal message sure won't work now it is rotten. God used Bill in His outpouring message &

made it clear in 1964 there was no messenger to the age at that time. Seals 464. **No messenger to the age** (in Bills days) the Holy Ghost came Himself in His full outpouring.

29)

Are you not sick of the vomit that pastors throw out of uninspired quotes from Bills books? They keep adding lies to their creeds all working for the devil. **Have you reached the point of no return has the devil already marked you then you have spiritual aids? You cannot resist any lover like the religious system do & take in anything.** The word spiritual AIDS stands for All Identified Devil's Seeds. HIV stands for Hell Inherit Vultures. Spiritual aids are the worst form of aids that people can have it is not curable.

30)

Africa's importance in biblical value.

Vol.2:28 37. If you never hear my Voice again (Because it will be smothered out by the groups libraries & churches) **I am sailing to Africa in a few hours** Vol.18:5 17. Going overseas (To South Africa) **because I am (God personally) I am not sponsored. It's kind of a secret. (He returns as a thief in the night via the prophetic message) because the churches (Preaching from Spoken word books) Won't let me in** (They won't let God in) He is on the outside of Laodicea. I am going in as a hunter. **I have to go in kind of under disguisement.** Christ returned as a thief in the night as promised to collect His people. His bride heeds the call behold the bride groom cometh she is awakened by the thunders & goes in with the King. God is disguised & hidden from the narrow-minded crows that only see as far as their organizations. Africa had in it a great portion of the original Eden.

(8)

31)

The great pyramid is here. Where can the capstone of the pyramid return if the rest of the building (Gods temple that I am a member of teaching His message) is not in Africa? It can only return to a living member of Christ's body & stones that welcome back the King. **No prophet of God was ever born outside Africa & Israel** neither Gods last prophets. Bill was born in the USA. The true Israel will only accept a God with one Name. Not a Trinitarians god saying He is Lord Jesus Christ. God has one Name that He reveals to His people outside the system.

32)

**Africa is lion country. The lion of Rev.10:7 is roaring.** Most Bible characters walked this continent. **Abraham came here to survive Jacob Joseph Moses & others. From Africa God delivered the people to the Promised Land** just about to happen again. Noah taught Gods' first judgement message from African soil. **Enoch a great prophet from the Old World erected the pyramid in Africa a prototype of Gods future stones & temple.** After Enoch's rapture Noah the remnant carried the message through to the new land. I believe I'm fulfilling **Mal. 4 & Rev.10:7** Israel will grab this message. **Elijah to Israel will show Gods elect that Judaism is a fake religion** Roman in all its ranks. He will get the people back to Gods Word.

33)

Vol.2:20. **The bride will turn in the West & ride back East.** The sun & lightning rises in the east. How dare you look west & claim Mal.4 that says **the sun rises with healing in His wings for those who fear Gods one single Name?** 7<sup>th</sup> Seal the 7<sup>th</sup> angel flew east with the 7<sup>th</sup> seal that God unfolded through this ministry. This could not be Bill. Sirs. 12 **You will never be successful in the east, you must go westward.** Universally the Image of the beast people is active erecting pagan temples to Satan. The red horse rider now has Bills messages cutting & killing all who do not agree or join in with them. America is West & not where the sun rises in the East Coast over African soil. You are indeed a fool to reject biblical prove of Gods word & message of the hour. You will burn for your stupidity & foolishness. **Neither is the lightning & thunders that the Messiah referred to at His return in the West. He said as the lightning cometh out of the East Coast of Africa so will His coming be.** People in the West are in darkness unless they make a turn & accept Gods great light from the east. The gospel sun is rising over all the earth to light up the word of God so that they can see the path to glory & not be killed by Satan's smoke-screens & false house gathering & group religions.

34)

Bill said about Africa. Hebrew Book p.296. It is Africa first (Did you get that?) No matter what I do **It is Africa first there lays Gods eternal word laying there.** Not in the USA but the word is in Africa & from here will spread to the elect & deliver them to glory. Vol.3:8:3 **Because it's near the end I've got to go down into Africa** (The I is God) Vol.2:6:2 We sail for Africa expecting a great time in the Lord.Vol.3:12:51 **You all know where I'm going don't you? Africa now a vision the spirit of the Lord has prepared the way.** Vol.3;Vol.3:9r:32 My (Gods) Ministry isn't finished in Africa (41) **I believe we'll have one of the greatest meetings that's been had in Africa. What greater meeting can there ever be than the bride meeting Christ at His return to claim us as His own? It's the greatest meeting ever to meet God alive in His word outside all denominations.** Vol.16:6-7 I was riding (I is the Holy Ghost) I was riding back a trail on a horse way back in the jungle (Of Africa) Vol.5:8:61 We go back in the far jungles of Africa (144) **Now this Voice is going from Coast to (East) Coast calling all Gods people from Babylon. It's the final Voice & call hear it!**

(9)

35)

Vol.4:6:71 Here's one thing I wondered for awhile to, an Alien from Africa but **in Africa his Father is king. Jesus was Prince of Peace Melchisedec is King of peace.** Paul saw Him as King in glory-land Vol.7:7. 144 We've turned a corner (Coming East from the West) We're looking towards heaven watching for the coming the cap on the pyramid as we would say His coming back (As the Headstone) **Have you been caught without oil when the call went out behold the Bridegroom cometh? You better get oil in the lamp have it trimmed & clear or you'll be in terrible darkness & torment when you know the bride is gone & you are trapped on earth in Gods wrath & tribulations that will burn everything to ashes.**

36)

**Now go & pray to God for revelations & get away from the system I command you,** come away from the cursed organizational walls called groups churches house fellowships one man organizations. One man the devil preached to Eve & led them astray. **Gods' word is for individual's that is true fellowship not a group.** I never belonged to any church. God is taking sides with His message it's pure Lambs blood the word calling you away from the whore's daughters that suck people dry in her black spider web. It is the same old poisonous snake with a new skin religious as can be but deadly intermingling Bills messages with pagan ideas. Bill would turn in his grave to see the perversion & how his people went the way of least resistance. He saw them in a vision & wept. They are worst than Rome itself.

37)

The 7<sup>th</sup>.angel flew east. East is (South Africa not West you idiots) The 7<sup>th</sup>. was a strange angel. 7<sup>th</sup>.Seal.(560) **Did you notice that one angel, I said in there was a strange angel.** Would Bill be strange to himself you fool? He identified himself in a young body when he was caught away? Here he says the 7<sup>th</sup>. angel was strange. I never met Bill in his days yet he saw my coming in that vision when he was caught up. I know what I am talking about I come from God & are going back to Him. **He was a strange angel. He looked more to me. I watched Christ move behind the scenes in the life message of the reformers that ended in 1965.** Counting from the left to the right would have been the 7<sup>th</sup>.angel He was brighter.

38)

You need to be bright in this age shining like a star in Gods hand to show Light to the people of God. **He was brighter flying Eastward (RSA) Here it is the one with the 7<sup>th</sup>. Seal** the thing that I've wondered all my life. (565) And **the one of them coming was the one that looked so strange to me. It would have been the 7<sup>th</sup>. Angel coming across. (From South Africa)** The last message these pamphlet messages must come from Africa to call you from Babylon & its' damnable doctrines. I hate Catholicism they are the killers of Gods word & messages. God will blow Rome & the Vatican to ashes.

Organizations bloomed out under Bills organizational revival.

Seals (209) When did the denominations ever bloom out under any mans ministry (Like they did under Bills) Look 7 letters) **When was there ever a man search down your history that ever went to the church formal (The carnal groups that blooms out) by the name ending with Ham look here Abraham (Branham) 7 letters.** Organizations start in home meetings. The people attending rise to big numbers too many for home meetings & they rent a hall & return to the same dogs vomit they claim to come from dumping Bills books on people. They abide with a few carnal laws & traditions but reject any future revelations'. They have been dead for years & will topple over soon when God strikes in His wrath killing them off. I feel what God feels for them nothing at all.

40)

Antichrist denies the mysteries of the seals.

Seals Book.(264) How can you be anti-Christ? **Anybody that denies that every word of this seals isn't the truth & to be taught just the same is an antichrist because they deny the word & He is the word Christ is the word.** Antichrist is against Christ the Word. Now let's see if you're an antichrist or not? Look at a few things he said in the Seals. Read this you anti-Christ's this will show exactly that you are against Christ with your false baptisms.

41)

Seals (247) **Read acts 2:38 That's the Apostles creed that is what they used all the time They sold out their birthright** (To Rome for trinities of Lord Jesus Christ etc.) Seals (319) **If the Apostles had a creed it was Acts.2:38.** That's all I know they ever had. **Now being baptized into Jesus Name or in the Name of the Lord Jesus Christ that's all right but that's not all of it yet.** This shows that **there is a true hidden water baptism to be performed in Gods' one true Name.** Paul referred to the Father of the Lord Jesus Christ God as one person. Water baptism into titles trinities & past names God used besides **Gods one real true Name** exposes the antichrist phonies. They are all sowed up in creeds. True water baptism show us who is Gods real true bride members.

42)

Serpent seed is baptism in titles of Gods name like Lord Jesus Christ etc.

Seals (237) See? (Understand) What was **the serpent seed is the baptism in the Name of the Father Son & Holy Spirit or in the Name of the Lord Jesus Christ.** You can see who they are by the way they get baptized. **He says directly what they are by baptism.** The baptism in titles of Lord Jesus Christ or father Son & Holy Ghost brands any person with the mark of the beast they are antichrist according to God word.

43)

Vol.5:3 **The trinity of frogs went into another trinity from father Son & Holy Ghost to Lord Jesus Christ.** They are still just a lot of low life frogs. You punks your daddy the big snake is gonna swallow you all up into his nest & eat you with all your gatherings into his

snake nest council of groups & churches. You're already in it & have reached the point of no return. God is going to enjoy killing you off so will God's true elect enjoy your destruction.

(11)

44)

Catholics own writings' admit that the carnal twin in groups are Catholics. Seals Book.(217) So he carried me away in the Spirit into the wilderness. I saw a woman in the wilderness see? She claims to be outside the big denominations. Who is that evil woman? **Did you know the Catholics own writings admit this is their church.** How many knows that? Millions don't. **It is right in their own writings.** (258) **That's what's the matter with you today you don't know the word of the season.** Maybe you know word of ages past but not the present word of the season. (339) **The only way we got this Tabernacle built a Roman Catholic stood on his feet in the court.** The Catholics started that church. They control it worshipping dead relics as the image of the beast.

45)

Now spiritual Islam & the image of the beast & all other foul birds took over like they always did worshipping the grave site of Christ or where he was born or left His natural clothes behind when He went. All Bills natural things & clothes are filth that rats make nests in. Ye what have you been thinking now your very thoughts have shown you to be Anti-Christ or for Christ. Bill wanted His name removed from the groups & churches.

You low down pastors & punks that take in anybody no matter what they are you baptize them telling them they are the bride. You know nothing of Bill at all. **Bill indicted you in the Indictment condemning you as souls in prison. That's where you belong in prison the next 1,000 years after that you will bow in front of us & we'll send you to hell.**

46)

God told Bill that is not your tabernacle they won't eat the bread of life the white-fowls. They mess them-selves when an eagle circles over that yard to get his own. The carnal twin born from his revival brought a terrible shame & disgrace on a precious sincere man who was the word for his day. Denominations look & see their actions dragging people to their groups & have reason to mock & laugh at them for saying they are not organizations when they are. They bluff some fools that belief their lies that they are not organizations. A blind man can feel that with a crooked willow stick.

47)

**Get away from them my people flee for your lives they are damned heading for hells' damnation. God won't spare them He made the lake of fire to torment & burn the bastards.**

God did not spare Eve the Old World under Noah or Sodom. He is obligated to burn them His justice department demands this. The false bride disobeyed Gods laws the word. They are found

guilty of murder & must burn with their families that are entangled in the same mess with all their books printing machines computers copiers etc. They not only claim things Bill never did but added creeds & dogmas as unscriptural as Rome itself.

48)

**They must burn the Bible promised us that they will in Mal.4.** All the religious sin cities will burn like Jeffersinville Jerusalem Mecca Rome & wherever these morgues have been set up by false preachers in places or groups all over the world. They will be brought down to the pits of doom. **Gods last call is going out via these messages to Gods elect only that want to worship God alone outside all religions. That's the way He wants to be worshipped in Spirit & in truth, not gatherings or fellowship meetings. Come out from amongst them they are cursed.**

(12)

49)

Bills message was the background & foundation in the sixties but the Life moved onwards from those dark ages. There is not any person on earth that knows the inner Life supernatural message behind Bill like I do. He said himself I watched him more. I watched Christ's moves since 1967 & know what I'm talking about. I saw the carnal punks organize before the 3 years arrived that he said they would start organizations'. They were rebelling against Bill even before he left. They formed groups & set up liars as preachers universally. It is not a brethren meeting you punk it's a lot of rats & vultures getting together. **Eagles do not flock at a11 you find them one at a time.** I was at the coast & saw a photo of an eagles' face that showed the bird stern & strict a beautiful face with the sharp beak. At the bottom it said I'm smiling. I thought who would ever know what is going on inside an eagle mind when there is no expression on the outside. We have the inner joy of Salvation smiling having joy with the King His peace overshadows all our trials & temptations. **The great eagle God is in His wrath His face features shows Him angry filled with wrath towards this last age that mocks the word His people & prophet's.**

50)

**I continued with the Life from Bills messages that matured as the tree of Life unveiling Himself to me.** I put out these pamphlets as God instructed me to do. **God unveiled thousands of mysteries through them as well as the 7 Thunders. The God-head mystery true water baptism the serpent seed & all the things we never saw before in the seals & so the biblical mysteries as He promised according to Rev.10:7.** Sure all the Life moved up & will end in the harvest of the last crop the 144,000 true Israel & then God will renovate the earth.

51)

The carnal twin is hooked up with Rome & all the other brothels' & groups. The false groups have no defense strategy. Everybody is welcome & reckoned a brother or sister. You punk my dog won't mess on you or lift his leg against you. They preach a Gospel so cold even the pagans have more warmth than what they have. They baptize anything bragging how many

filthy low insects they dragged to their scorpions & locust nests. Bill made it perfectly clear **The 7th. Angel makes himself known. Bill denied he was that angel.** The world never burned after Bill died. **You have been deceived by Satan to believe the lie. You are on the wrong track if you trust in anything outside the true word of the season in these pamphlets. Line up with the word accepting Gods message & word to you then you can escape the wrath.** By rejecting this simple humble message & get influenced by false preachers that hate me & the message God gave me; you will pay for it with your life & share hell with your preacher or leader.

52)

Bills people lack the oil these pamphlets. Laod.C/Age page 543 Yes you know **I do believe we do need the Holy Ghost & they're writing pamphlets & everything about it now.** And they said would you give us some of it? And they said no we just got enough for ourselves. You will get that answer from a true elect, then you will be cast into the tribulations where there will be weeping wailing & gnashing of teeth because you rejected a simple plain message & messenger or people that tried to help you.

(13)

53)

Look at the word quotes it is absolute proof that the last messenger was coming after Bill. The messenger must identify himself from the word I will do that, or let me ask you who will if I don't? God will & has vindicated these things to be the truth. I'd rather dedicate my time to Israel & not waste time on the gentiles. **I felt led to put this out to attract an elected seed of God to the word.** I am not interested in any of Satan's offspring. I have no debates with them no discussions you believe the word or you don't end of story. After this message you should have no doubts & have absolute prove that Bill was not the 7<sup>th</sup> Angel. You should be able to detect who the 7<sup>th</sup> Angel is; knowing his name & walk on with Gods message to complete deliverance from Satan's bluff systems.

54)

Seals.127 **The mysteries of God is the ministry of the 7<sup>th</sup> angel.** The 7<sup>th</sup> Angel does not have an organizational revival like Bill had amongst the churches the 7<sup>th</sup>. Messenger reveals mysteries (143) **The messenger of the 7th. C/Age if you'll notice He does not start a denomination.** Neither groups or lie-braries (54) Bill started churches that went into the image of the beast. Do you see the absolute prove? (144) **The 7th. messenger of the 7th. c/age is the fellow that is going to reveal by the Holy Spirit all of these mysteries.** Bill taught loose ends of mysteries in his outpouring ministry but couldn't understand them for his day. (147) **The entire mystery is unfolded that is the ministry of that angel.** Bills denominational revival was not a ministry of mysteries, his ministry was praying for the sick & outpouring of gifts.

55)

Seals 147. **All of these mysteries of the seals (That Bill brought) that the reformers(Including Bill) never understood.(148) Now we are looking for that person to appear on the scene.** Are you looking what Bill was looking for the prophet of **Mal.4? He will be so humble that 10 millions times 10 millions** (Won't see a thing of the Bible fulfilled) Well there'll be a little group (Scattered universally that'll understand) **Mal.4 As soon as that messenger goes forth the world is completely burned.** The world did not burn after Bill left the scene many years ago already you fools?)149. **Mal.4 He is a prophet & restores the original faith of the father's at the end when the tribulation period comes.** Did the tribulation period start in 1965 no sir, you believed a lie by calling him something he was not.

56)

Seals (151) **How you going to keep it away (This ministry) I will send unto you Elijah before that day comes. There you are it's the word of the Lord, He's promised it, it must come.** He didn't say it is here but said it must come. (175) **God promised that He would send us a true prophet of the true word.** See how keen Bill was on getting these messages in the pamphlets? (184) **I believe when the person comes this one that is predicted to come that the man will have to be a prophet.** He certainly will (be a prophet) (223) **At the end of it when the messengers arrived there would be revealed those broken seals.**

(14)

57)

Seals (236) **But the real thing is to be revealed at the last days of the last one to the church** (See it is your last chance) **we have searched it through & through, that the Spirit of Elijah would (future) return in some person. Now I think that has been made just as clear & we're looking for that to happen.** Are you looking for that to happen? God has been revealing Himself to His elect bride filling them with the oil for years already. If caught sleeping it will be your own fault? Have you settled on what Billy Paul said or some drunk preacher of the whore that is distributing aids to you? **Somewhere an anointed person in the last days shall rise up. It'll be properly identified. You know what Elijah was watch that (The pamphlets) and you will know the truth, now the elect will know not the others.** We can see who is elected & who belong to the devil.

58)

Seals (297)**We need a prophet to return, who will bring the word of the Lord fearless we believe the bible promised it.** (297) To wound up all these mysteries. God has promised that there would be a genuine Elijah rise (With even the genuine names) Daniel also spells Elia. **Now the outside world will hate it.** (316) **This prophet that I've been speaking of I know that real good sensible spiritual thinking people knows that that is coming.** It shows us who is real good sensible spiritual thinking people those that know Elijah came after Bill. Spiritual people would be in Elias messages maturing in the word.

59)

Seals 329. **Then it simply has to be it's according to the word. When the man arrives on the scene he'll be a prophet.** I can plaster your walls with quotes that Bill wasn't the 7th. Angel he said many times it was someone after him. Just before he went home in 1965 he looked forward to an angel coming to set the people straight & get the bride ready for the groom.

60)

Vol.12:5:19 **An angel(messenger)is coming(future) to bring the separation, he's the one whose going to tell which is right & which is wrong** Vol.19:2 **What we need on the scene to day is a prophet, that will destroy the idol of denominations who think they're going into heaven upon belonging to some creed.** Vol.5:8 138 There's something new coming forth (Christ came) Vol.3:8; **There is to rise on the scene in the power of Elijah that will rise on the scene a wilderness man that'll come out & will have a message that'll come straight back to the word again.** Vol.5:10:30 **All the mysteries of the Mysterious Book is to be revealed to the Laodicean messenger.** Vol.5:9:145 **How many wants to use Mal.4 for their conscience sake I believe they are all mixed up on that**(Thinking that it was Bill) Vol.18:4 (178) **The 7 fold mysteries of all of Christ has to be revealed. It can only be brought to a prophet we've been looking for that for years.** What have you been looking for? Bill in the early 60's was looking for my coming. He was too rich in spiritual wealth for you fools that is why you are going to be burned & tormented for rejecting him & what he said would be here.

(15)

61)

**Identifying the 7<sup>th</sup> angel.** I proved to you that Bill was not the 7<sup>th</sup> Angel. I am also obligated to show you who the messenger is so that my hands are clean from any blood. You cannot say you did not know when God strikes in His wrath. My Names are Carel Daniel Steynvaard. Carel also means Charles, or Charlie, Carl. Look at the first name Carel. Elijah sat on Mount **CARmEL**, the M for Mal.4. Now look at Daniel in my home tongue Afrikaans Daniel has 4 letters that spell Elia. My surname is Steynvaard translated it means Stone-speed. **The stone Daniel saw cut from the mountain came with tremendous speed to crush the image to ashes.** It is also the stone that the builders of organizations rejected. I was born in Premier mine on 5/5/1945 where the biggest diamond in the world was found. The diamond is Christ.

62)

The stone might stumble you, it is coming with great speed a quick message. Now look at Laodicean take the word Daniel from it. You have left the following letters OCA add their numeral value  $O=15 + C=3 + A=1 = 19$ . Add Daniel together  $D= 4 + A=1 + N=14 + I= 9 + E=5 + L=12 = 45$ . Altogether you will see 1945 the year I was born. 5/5/1945 add their numeral value & you have the numeral value of the new Name of the Lamb example  $5+5+1+9+4+5= 29$   $2+9=11$ . Christ referred to me in Bills entire message. Study what he said about Carl, Charlie, Daniel to see the word of the hour. **I'm not setting myself up as anybody. I don't need you I don't need people coming to my home I don't need finances. I do not care to meet anybody my message is pointing to Christ He is important. You must meet Him revealed as Thee Son of man from His prophetic pamphlet messages. I like walking alone with God & have been doing that my entire life.** I am setting truth before you so you cannot say you didn't know or that you were confused. God always has a true witness somewhere that speaks the truth. Christ stopped dealing with the gentile world; those in must mature in the word of the hour. **I want to dedicate my time to Israel I love them more & want to give them proper attention they deserve it. They will accept this message to them the stone is Christ the word.**

63)

Here's a few things mentioned of the supernatural message after Bill.

**I was standing in 7th. Street one block away from the Cornerstone. I live in 6th. Street one block away from 7th.** He said I'm to be up here at 62. That is my stand number. Vol.3:4(9) I want to get this off my heart **Carel's grace** normal typing the spiritual. Vol.9:5 (1) **Bro. Carl & delegates, I have met many new delegates from heaven.** Vol.17:3(13) Share with each other (The hidden word Christ He was not addressing Carl Williams) with Brother Carl, **God bless you Carl & Bro. Williams.** (See that 2 different men) Are you trying to curse what God has blest like Balaam did? You'll pay Vol.5:8(149) Daniel said he had understanding (153) I see my friend Charlie setting back there. I'm just anxious to hear Charlie say, that little squirrel clim (Klim in Afrikaans is climb) that tree I just want to be around you. Rev.C4.p.704.(329) Vol.3:13r 48 And Danny (Daniel) what he does for a hobby, he makes little stones (For Gods Kingdom diamonds from the great stone the King of Kings.) (314) I'm laying a ground for him when he does come.

64)

**Important notice.** If you want any of Gods messages write to me & give me some background of yourself why you want the messages. The messages are free to born again believers outside the system. That is the people I am addressing this message is not for the world they reached the point of no return. You will understand why I do things this way. I hate carnal fakes' parasites copiers & fanaticism. I do not cater for anybody regardless who they are. The messages are come out from amongst them & walk with God, not with a group or house gathering but with God alone. I do not talk discuss associate or have anything to do with people that have any organizational strings attached. E-Mail me at [carelst@intekom.co.za](mailto:carelst@intekom.co.za) I cannot show Gods Mysteries to the world it would be casting pearls before swine. State your case who & what you are & what your motives are. If in other countries I will E-Mail messages to you but locally can send you printed pamphlets. You can write to my Web-site. If you disagree with what you have read then pass it on to someone that disagrees with you maybe they are not as blind as you are & would appreciate the truth.

(16)

65)

Vol.18:1 (32) **They follow me (Christ the word) all the way to South Africa.** Vol.8:7(15)

**God has used His spirit that was upon Elijah already 3 times & promises twice more** after Bill. Vol. 4:9(141) Are you looking for Elija? Yes we're looking for him. Come I'll show you where he is at (p. 22 Charlie where you at?)(171) **She's built libraries** (giving out Bills Books) **she's built all these things** (Establishing groups & churches) **for temporary help just enough to deceive.** The whore helps them a bit then deceive them her doors are the doors of hell. Her husband the devil she's married to traps you in the system & kills you. Satan is a beast & has no conscience of incest that is how animals are. The devil brought forth through his wife mother whore a perverted lot of daughters well trained in the whoring business. Satan has sex with his daughters & brings forth whores like Lots daughters did bringing forth a lot of perverted Moabites that God hate. I am also called Mack by my family. Vol.16:6,7 **Bro. Mack, my good friend, God has blessed Bro. Mack I was riding back a trail on a horse way back in the jungle**(In Africa(50) Like in Africa there (60) **You that raised your hands for the baptism of the Holy Spirit I trust that you'll meet brother Mack** hear & go back in the room hear. Where God can speak to you as an individual from the chambers of His word. Vol.19:6:31 **I had one door open to me Bro. Mack.** Vol.18:3:204 Never has there been a messenger that ever went to the entire church with his name ending in **Ham**. The organizations bloomed from Bills denominational revival the entire system accepts the image of the beast people.

66)

There is no way for any person that does not come from God to ever see these great truths. To me it's all the word as God promised He would reveal it Mal.4:6 & Rev.10:7. It was made clear **that the message ends up in Africa.** Then it goes back up the East Coast to Israel & from Coast to Coast all over the world where God has His elected seeds. If you still believe Bill was the last prophet then there's no hope for you. You are gone marked by the beast. You already have the devils' unbelieving mark that is against Gods word mark. You are marked in the ear & forehead you see lies & are gone awaiting Gods wrath. Judgment will follow this message. **A picture of God was taken at the sea on 16/4/1990 where He set foot in land & sea as the Bible say in Rev.10** **The picture shows Him cross I don't blame Him.** I'm also cross & sick of the so called false pretending Christians that know nothing of God dragging people to hell with old organizational creeds. **If God ordained you to life then this message will light up your soul you'll rejoice in it.**

67)

I put out many things about identifying the 7<sup>th</sup> angel since He called me to office in 1986. **I believe God is using this message as the wake up call an eye opener to the sleeping people to wake up & enter in with the bridegroom. God will reach His people over the Internet & other ways & means that He uses His mysterious wonders to perform.** These messages would convince any elect it is absolute prove that Bill spoke of one after Him. If God didn't reveal His mysteries & the 7 Thunders here & appeared visibly you could say I'm a fake but now the evidence is overwhelming. If the people will not hear it now we will get them at the judgement bar. My hands are clean I presented you with the 100% truth plain & simple. The choice to accept or reject is yours. I touched some of the mysteries that is contrary to church dogmas that is why when reading them

you punks got angry Satan in you is upset cause he is exposed. The real truth always shines through like the sun of righteousness does way above all storm clouds He rises with His true eagle wings of the Mal. 4 prophets.

68)

**I suggest you go back to page 1 & start again asking God for revelations or read the other message son the net.** This message is loaded with the bread of life the hidden manna. If you reject this it means that God never had in mind saving you in the first place & ordained you to doom & torment. The bible says He has mercy on whom He wants to have mercy so you can't say, Oh God why hast thou made me a denominational chicken? He did that to fry you in His wrath fires. Eagles fly to the rock & rest in Him eternally. Now do you believe the false preachers or do you believe God who promised He would have a stumbling stone to stumble people by making them topple over?

(17)

69)

The spiritual Israel are not interested in what Bill brought to them it is old dead meat. They have a prophet that I am giving these messages to he is against Catholicism & Judaism an image of Rome. Carnal Israel are cursed they made a covenant with the Vatican. The real true Israel the 144,000 have nothing to do with that evil & will obey their prophet just like the elect bride is hearing their prophet. **The people God calls from this last age for His Name sake are a few but they are pedigreed & cut away from the last age with the Kings Sword. They are sons & daughters of God attracted to Him by His magnet drawing power that pushes system people away.**

70)

There are a few hundred pamphlets of these truths that I have been putting out. It's constantly unfolding. My motives are pure & right. I do not need anything from you not tithe money or coming here nothing like that. If you are elected then you accept Christ the word walking in all His latter day truths He will set you free. The devil uses many false prophets & many have gone out to deceive many. **So does God use His true prophets to get His people from the slave system of organized religions'. Salvation is free from God you cannot pay for it.** The pastors hate me for that they're scared they might loose tithes & can't live in all the group luxuries of deceit or being looked up to as some holy men. You bastards stink your doctrines are sewerage farm waste.

71)

I work hard & have always worked hard. God chose me to stumble Satan's offspring with Gods pamphlet message. I lack nothing only the grace of God at all times. Now why would people hate a man who is against organizations? A man that has absolute prove that God is in His message of the season & even show pictures of God with him apart from all that all the Mysteries of God revealed through this simple humble ministry foretold by Bill that I would be here. One would expect them to accept the truth. They can't they are of their father the devil. That's why they do his works forming organizations.

72)

The whole Laodicean c/age is against me with old Jezebel the whore. God is for me I am a winner.

I do not care about sinners losers or worldly people they sinned away the days of grace with Satan's religious system souls already in prison. **God already issued the execution order that they must die in His wrath. I believe I am old Jezebels doomsday prophet someone must execute Gods wrath message.** I like doing that like Elijah loved chopping the heads of the false prophets I like to see their heads rolling. To hell with you false pastors who hold the poor people in fear & traditions of the fathers telling them they are cursed when they leave the group. Anybody that attend religious studies in groups' house church or any meetings no matter where is cursed. I do an honorable job for God & feel very proud to be in His Majesties service to condemn you punks.

No matter what you say or think you'll bow before me & plead for mercy one day.

73)

Bills organizational trash will not work now of we must love or we are all brothers. Satan used that same scheme on Bills people who are so drunk from the whore's wine they just love everybody.

All drunken bastards do that. They are pregated by Lucifer & have brought forth a drunken bastard Cain. I showed you from his own message that Bill said his revival was an organizational one so only organizational trash can come from it & a very few true seeds that continue with the Life message. **Beloved of God don't be upset over them God does not like them at all. They persecute the true elect just like Cain did who couldn't see the Lamb.**

(18)

74)

It takes tons of rock to be crushed to bring forth an ounce of gold or one diamond. The deepest mines in the world are in South Africa. I live just a few block away from one of the deepest mine shafts. The King said the man went in deep & anchored in the rock. The image of the beast are the killers the Bible tells us that. That is what we can expect from them. But they'll also be killed by God in a fiery wrath then held in prison till after the Millenium. God led them from Egypt but they stopped at the mount where Moses died in 1965 & formed an image golden calf scheme. God killed them off & delivered His few to the new land with a new message & messenger **Joshua took them through the waters again of Jordan showing Moses' baptism wasn't all of it. There was another true baptism before crossing to the land of the great King. The washing of the waters of the word will teach you the real true one Name baptism.** The message is free to believers interested in more truth after Bills message. It is not for chancers or creeps thinking they can make a few quick bucks & drag people to hell. **I'm against any form of organization that usually start in homes where they listen to tapes or what someone quotes from Bills books with their own ideas injected to the word. I stop sin before it gets started & tell the people to walk with God alone.**

75)

Do you see the false prophets working for Lucifer getting people to the pits of doom & prison-houses of organized religion? **Why then reject such great Salvation from the King of Salem?** Why not come aside walk alone with God? God already turned from the gentiles' altogether **only the elect will recognize the word.** Time will tell if you obeyed the call if you were of Gods family or not. No good impersonating, your unbelief in all the word will show you up. **This is absolute prove that Bill was not the 7th.angel. Now what are you going to do with that prove? You better ask God for grace & come out of Baby-lon. This message is the last call to the bride a call for Gods elect. Will you obey or are you led astray?**

76)

Hi-light points as prove that Bill was not the messenger.

Bill didn't bring the mysteries & 7 Thunders. Seals 253 It will take **the 7 unknown thunders to wake up the bride.** Are you awake or has mommy whore & her daughters got you asleep in her bed of corruption with whore doctrines? Her husband the devil is going to kill you off in his home the whorehouse Rome groups & churches. You can't wake up death already have you in its grip. **That's why you deny these great truths because they expose you as an anti-Christ. The real true bride can see that you punks never came from God. If you are awake then you'll know the thunders wake up the bride. Tell us who brought them? Tell us Gods Name & all these other mysteries. Why didn't the world burn after Bill fell asleep? He left leaving a lot of things unanswered & not fully revealed? Things that God revealed & are revealing completely through this pamphlet ministry.**

77)

You are marked by the beast or by God. Are you on the narrow road to life or on the way to hell & damnation where millions of carnal followers are heading for Gods wrath? **Do not say you are not an organization if you preach or uphold organizational whore-doctrines that Bill was the 7th. Angel or we must get together to fellowship etc. Fellowship is 2 fellows in one ship you & God. Not you & your pastor or brother or other people but you & God only it is an individual affair.**

(19)

78)

**Prophet means preacher.** That's where you confused Bills ministry.

Vol.3:6 **Now the English version of prophet means a preacher. When Bill said do you believe me to be Gods prophet he really asked do you believe me to be Gods preacher? Prophet also means a man whom the Word comes to or a revealer of the word.** Did Bill reveal to you the hidden mysteries or the 7 thunders? No & he said Elijah must return to reveal those mysteries there's no doubt about that at all. Bill admitted his revival was an

organizational one. The scraps of that revival & carnal trash doctrines' are now filthy Catholicism manmade creeds.

79)

Bills carnal creed doctrines' added an extra 3 crowns (Lord Jesus Christ) to the devil crown. In **Rev.12:3** the beast had only 7 crowns but the image coming out of the USA impersonating Bills messages have in **Rev.13**. 10 crowns an extra 3 crowns Lord Jesus Christ an added creed by Bill that is unscriptural. One trinity of frogs went from father Son Holy Ghost to Lord Jesus Christ they are all just symbols. **Note that all the Apostles preached in the Name single of all of those titles.** The activities of the people pastors & preachers starting rat & snake nests with groups & breaking away forming more groups spreading like bacteria is proof that they are right back to mommy whore fighting amongst each other for church members.

80)

Competition amongst them is rife worst than in the cold denominations. All over the world people are distributing Bills whore doctrines travelling all over. A trip to Jeffersville is like a trip to Mecca or Jerusalem. You foolish pagans run after such trash led by dog pastors leading you blind pathetic punks straight to the tribulations. They are all returning to their vomit till God kills them off. The carnal twin is building churches for Rome. Are you so blind & cursed that you can't see that? Are you a spiritual aids sufferer? After every messenger Luther Wesley Branham the pagans slipped in & never continued with the Life in the message they settled & died. What Bill had in 1965 is rotten old news it won't work now. **We're so advanced that his carnal followers can't even see what we're talking about. We're a different breed altogether. They are punks' which means dry rotten wood they stink. We are Gods true bride.** The carnal twin is trapped in the last church age & failed to go higher through the open door into heaven to see what is going on in heaven.

81)

Whoring & prostitution became a home business. Escort's travel to peoples homes to commit fornication's & adulteries in homes. The spiritual whore does the same by setting up groups' libraries & one- man fellowships. They say we must get together we must have a church home. **That is no church home it is a funeral home where the ice-cold dead get together. They are dead people that stink from Satan's regions of the doomed gathered together in groups.** They are a lot of vultures circling over a sewerage farm seeking waste in the groups.

(20)

82)

The preachers are false bastards misrepresenting Bills message. My dog won't piss on you he thinks too much of himself. **God loves some dogs more than what He does preachers that say Bill was the 7th. Angel.** You call that a group of bride? It is the devil's bride you low down vultures.

God is going to fry you to ashes. Do not say they are well clothed wearing long dresses like the nuns. They are walking around in G-strings naked. One punk said he rewrote the Bible, that won't help we have the new bible with the true interpretation of the word on the backside of the bible. You low down jellyfish you stink more. What you gather in groups is sewerage farm where human waste drift together that is what your group is; A filthy human waste get together center. Bill couldn't use such words he had to account to the deacon Board trustees & churches. I do not account to anybody but God who has sworn in His wrath that these people will not enter into His rest. Waste from animals is called dung but from humans it's shit. That's what you are a low down shit-house, where all drop their waste in get together meetings. Luther used such bad words swearing at the pagans in his message Against the Papacy they refused to publish his sayings. It is our duty to expose & curse the punks that is what they are straight to the point.

83)

Do not say we are all brothers we are not. We have different fathers. You are a whores' son bred out in an organizational test lab. A clone like your father Lucifer programmed to self destruction to say what your evil daddy says against Gods word of the season. You worship a pope called Jesus or some title. How can you escape Gods' wrath when He prepared & made it especially to fry you your children & whole family regardless of age. **I worship a God who has one Name. His Name is revealed to His own. We are pedigreed horses that traced back where we come from before the foundation when the Lambs Name was put on us.** You mules are hee-hawing to hell.

84)

Do not say you are operating a group or fellowship meeting. Tell the people you are operating a brothel & under false pretence building groups & churches to Rome operating a whorehouse from home by printing books saying all was fulfilled in 1965 when Bill died God died in 1965. You are a Trinitarian frog a low life punk Seals 210 There is your difference **see the Trinitarian word Jesus.**

**Do you see that?** You groups & churches where people gather is nothing but escorts going out seeing who they can deceive. You say away with such a man as Charlie or Carel when Bill said **ask Carel hear if it isn't right.** You are like your fathers that crushed on their teeth when Jesus cursed them so are you in the expressed image of the devil. The very people that you look down on are going to send you to hell. You will bow in front of them one day. What you look down to as wrong & filth is a great people before God. **God is using them to curse you. It is God that is cursing you via our mouths to bring down His wrath on you. Sure the elect are in His very image as a stumbling-stone just like the King is.**

85)

The religious world must stumble so the image & the beast the stone strikes them to ashes bringing them down. **Those who accept the messenger are called up higher.** Who will summons you to come up yonder & higher away from the people that are trapped in the last c/age & Babylon? Rev.C.4 part 2 Page.597 para,67 **The very voice Charlie (Carel) that summonsed you one day to come out from amongst them & walk with God alone down there**

**in Kentucky (Or wherever you may be eating that Kentucky) to turnaround (Turn in the west get away from the churches & follow God)(Carel) is the same voice that'll summons you to come up.**

**(21)**

86)

Rev.C.4.P.1.568.para.110 Come up here I'll show you what's fixing to take place (To the) Christ rejecting Godless sinners I'm going to pour out my wrath upon them. You cannot touch a message of Bill where my names were not spoken in a supernatural way. He referred to Charlie, Carl, Daniel Elijah so other prophets unveiling what's going on now. **Bill made it very clear The 7th angel will identify himself.** Bill never identified himself as the angel & said it was someone after him. **You are in very serious trouble with God for wondering after the image & the beast. If you did not know & accept Gods truth you are excused if you accept Gods message & come away from the filthy barnyard stinking toilet doctrines of men setting themselves up as leaders they're fallen angels of Lucifer.**

87)

I do not hold meetings. I do not allow people assembling in my home or any other place. **I send these pamphlets to people that God leads me to.** I do not need anything from anybody I walk independently as a true eagle walks. I'm not at all interested in starting groups' churches or any system or organizational trash. **That is why God is identified with this truth the unadulterated word that comes your way free from any man made doctrines. You say it stumble's me; one preacher told me the bride is a stumbling block.** Preacher you are a punk the true bride sure is crushing Lucifer's kingdom to ashes. **God said He would return as a stumbling-stone & we see that in His messages He stumbles & says things in order to stumble people then He fries them. I love Him for that He uses His people to stumble Satan's kingdom.** As the final Voice to the final age God called me to office in 1985 & told me I was the last Voice to His people in all nations also to Israel with Moses. Aince that time He appeared visibly to me in various forms the pillar of fire the rock coming alive. One evening I saw Him young the colors of His face clear & better than what others saw before me it shows He is in view for those looking for Him.

88)

Apart from the various photos taken even in Bills days where God has me by His side. **When He turned from the gentiles on 16/4/1990 He appeared visibly His full face features are in clear view.** There are living witnesses to these truths Gods word is made manifest by pictures. I ask nothing of you I walk alone stand alone & **if elected you will obey the command to flee from Babylon.** Come away from organizational walls. Preachers quoting from Bills books are guilty of crucifying the word afresh to the congregations selling them out to Rome. The false goats will

trace you down persecute & force you to join the Whore Council of Churches if they know where you are. The carnal people are already trapped tied in bundles dried out worst off than the old organizations trying to outnumber others with their dead rats & trash doctrines. **This is a chance of one in billions. Grab it beloved of God. The word won't stumble you & is a precious stone a rock that you can build your future home on cause you went in deep in Gods bible mine to before the foundation & know what Gods Name is in the Lambs Book of Life.** All others wonder after groups' fellowships home gatherings & get-togethers the tribulation storms will blow their unanchored houses away.

(22)

89)

The bride walks with God alone. You are blest or cursed time will tell Christ or hell. Facing these truths what action are you taking coming aside or still stay in the same old whore system. Bill identified the 7th Messenger in 1962 already as someone after him. He said in Sirs & the Seals that the hidden things' was not directed to his church. Bill knew the carnal church fowls would run after group meetings tape-playing fellowship lie braries & ceremonies. If what you just read opened your eyes & you long for more truth write for more to the address given once you are settled & know this is for you. If angry then Satan in you is angry at God for exposing him openly this shows you are a Satan disciple.

90)

To Gods people who have computers. It is your duty to help the ones who do not have this luxury to obtain the message. There are thousands of pages in print that Gods elect must get. It is your duty to get involved & make sure Gods elect get the true word. If you disagree with what you read then give it to someone that disagrees with you. Write to me let me know your stand-point & testimony if you accept these truths. If you don't accept them do not write I erase all criticism not even reading it. **I'd love to hear from Gods true elect we are family.** I delete criticism & do not even read what Satan has to say through his disciples. **Nothing in the world can or ever will change what I belief. God is backing it up with His Word & pictures of me by His side.**

91)

Ye ask yourself this question first. Am I fighting for God or for the system? Am I against God? If elected the truth would be good & heart-warming news. If not it would cut you asunder as the stone said He would crush anything to ashes that try to step in His way or be a hindrance. **Nothing stops God at all & the above message comes your way because He commanded me to put this out & reach you this way so that you can reach His other people setting truth before them. To Gods elect God bless you. The continuing pages are proof from the Seals that bill spoke about the 7<sup>th</sup> angel as a messenger after him read it all. If elected? you will be thoroughly convinced that it is God the great eagle, flying in His supernatural message that is calling you away from**

**the manure pile doctrines & Babylon's evil people. If an eagle you can't join in cause you see things differently. This message should make the peels fall from your eyes & cry for joy to God that He chose & elected you to life. Love to Gods elect from a rejected man in Africa. Carel.**

**92)**

**Continue. Proof from the seals that Bill was not the 7<sup>th</sup>. Angel.**
